March 27: The First Day of Ramadan.

April 25: The Last Day of Ramadan.

Simple, Irrefutable, Physical, Tangible Miracle:

The Word "God" in the Quran What More Do The Disbelievers Want?

1. God informs us in 74:25-30 that the authenticity of the Quran will be proven by the number 19.
2. God describes as "One of the greatest miracles" (74:35) this code, based on the number 19.
3. The word "God" (Allah) occurs in the Quran 2698 times, and this number equals 19x142.
4. The sum of the verse numbers wherever the word "God" is found comes to 118123, or 19x6217.
5. The sum of all the occurrences of the word "God" in all the verses whose numbers are multiples of 19 (i.e., verses 19, 38, 57, 76, etc.) is 133, or 19x7.
6. The sum of all the occurrences of the word "God" in all the verses whose numbers are NOT multiples of 19 comes to 117990, or 19x6210.
7. The suras whose number of verses is divisible by 19 are Suras 47, 82, 87, & 96. The word "God" occurs in these suras 27, 1, 1, & 1 times, respectively. By adding these sura numbers, plus the occurrences of the word "God," the total is 342, or 19x18.
8. From the first set of Quranic Initials (A.L.M. of Sura 2) to the last Quranic Initial (N. of Sura 68), the number of occurrences of the word "God" is 2641 times, or 19x139.
9. Outside the initialed section of the Quran (Sura 1 on one side, and Suras 69-114 on the other side), the word "God" occurs 57 times, or 19x3.
10. By adding the numbers of suras and verses where these 57 occurrences of the word "God" are found (Item 9 above), the total comes to 2432, or 19x128.
11. The Quran's message is that "God is One." The word "One" (Wāhed) occurs in the Quran 25 times, 6 of them do not refer to God, and the ones referring to God are precisely 19.

Does Sura 9 Consist of 127 verses, or 129 verses? Here are more proofs

12. Take all the suras whose number of verses end with the digit "7." These are suras 1, 9*, 25, 26, 45, 86, & 107. Their number of verses are 7, 127*, 77, 227, 37, 17, & 107, respectively. The total occurrence of the word "God" in these suras is 209, or 19x11.
13. Take all the suras whose number of verses end with the digit "9." These are suras 10, 15, 29, 43, 44, 48, 52, 57, 81, 82, 87, 96, & 104. They consist of 109, 99, 69, 89, 59, 29, 49, 29, 19, 19, & 9 verses, respectively. The total occurrence of the word "God" in these suras is 190, or 19x10.
14. The number of occurrences of the word "God" from the beginning of the Quran to the end of Sura 9 (9:127) is 1273, or 19x67.
15. The sura number (9), plus its verses (127), plus the word "God" in Sura 9 (168), gives 304, or 19x16.
16. The word "God" occurs in 85 suras; the sum of every sura number, plus the number of the last verse where the word "God" occurs, gives a total that equals $3910 + 5191 = 9101$, or 19x479.
17. Take the 85 suras where the word "God" occurs. Add the number of every sura, plus the number of verses from the first to the last verse where the word "God" occurs, and you get $3910 + 4260 = 8170$, or 19x430.

* **Mark My Words:**

HERE IS WHAT WILL HAPPEN TO THE DISBELIEVERS

As prophesied in 44:9-15:

- A massive asteroid will hit somewhere in the Middle East.
- The resulting heat will burn living organisms within a 100 mile radius.
- Total devastation will envelope the Arab world, main opponents of God, His miracle, and His Messenger of the Covenant (9:97, 3:81, 33:7).
- The Quranic prophecy in 44:10-15 will come to pass: A giant dust cloud will envelope the whole world and obscure the sun for a few months.
- In fulfillment of 17:92, the Arabs will mock and ridicule this prophecy.
- When will this happen? I do not know when; but I have a strong feeling that this will take place before the end of 1990. Only God knows the exact time.

Celestial firestorm

Comet or asteroid
slams into Earth

Vaporized rock and
debris caused by the
impact shoot into
space.

As the debris re-enters the atmosphere, each of the trillions of grains of sand would generate 1,800 to 2,000 degrees Fahrenheit.

HERE IS WHAT ALMIGHTY GOD SAYS:

Indeed, they are full of doubt, heedless.
Therefore, look for the day when
the sky brings a tremendous smoke.
It will envelope the people:
"This is a painful retribution.
Our Lord, remove this retribution for us,
we now have believed."

How come they now take heed,
when a messenger had come to them,
but they disregarded him and said,
"Well educated, but crazy."
We will remove the retribution
a little bit. But then, you will soon revert.
[44:9-15]

Thus, our Almighty Creator is informing us about the consequences of disbelieving in His consolidating messenger, God's Messenger of the Covenant.

We are told clearly, by God Himself,

that the day will come when a tremendous smoke will envelope all the people on earth. Scientists — astronomers — know that such a disaster can happen when an asteroid hits the earth. During 1989, the earth experienced a near-miss with a huge asteroid. That was God's warning to the disbelievers.

Also, we learn from several verses in the Quran that a divinely authorized retribution of this magnitude comes to pass ONLY and soon after the sending of God's messenger (17:15).

The proofs are abundant that the messenger referred to in 44:13 is God's Messenger of the Covenant:

1. By adding the sura number (44) plus the verse number (13), we get 57, 19x3.

The Quran's 19-based mathematical miracle was revealed through God's Messenger of the Covenant.

2. The sum of sura numbers plus the number of verses from the beginning of the Quran to 44:13, is 5415, or 19x19x15.

3. In the same verse (44:13) the word "Zikrā" زِكْرًا used is exactly the same word used to describe the Quran's 19-based miracle (74:31). This powerful correlation links the Smoke with God's miracle and God's Messenger of the Covenant.

4. The description of the messenger by his adversaries as "Well educated, but crazy" (44:14) has already been uttered by today's disbelievers in reference to Rashad Khalifa.

A FALSE MESSENGER IS A MESSENGER OF SATAN

The Quran informs us in 26:207-223 that the devil is not capable of preaching the worship of God ALONE, and the upholding of the word of God ALONE:

*It is not the devils who revealed this.
They neither would, nor could.
For they are isolated;
they cannot hear.
Thus, do not worship beside God
any other god,
lest you incur the retribution.
Warn your people, the closest to you.
Humble yourself with the believers.
If they disobey you, then say,
"I disown what you do."*

*Trust in the Almighty, the Merciful.
Who sees you when you meditate,
and when you prostrate frequently.
Shall I tell you upon whom
the devils descend?*

*They descend upon the fabricators,
the wicked liars. [26:207-222]*

A person who claims to be God's messenger, when he is not, has to be the most evil person (6:21, 93, 144). He has to be a person who does not believe in God, and does not believe that he will ever face God on a Day of Judgment to answer questions about his false claims. He has to be a messenger of Satan. But the most impor-

tant criterion is the impossibility of preaching "God ALONE" and "the word of God ALONE" as pointed out above. God Himself has decreed that the devils "Neither would, nor could" advocate the worship of God ALONE, and the forsaking of all idols (26:211).

Of course, a false messenger will not possess any God-given proof of his messengership, nor will he dedicate himself to a cause from which he does not earn a dollar or a dinar. Send for your free copy of the new "Certificate of Proof" that Rashad Khalifa is God's messenger.

The Names of Suras Divinely Decreed Parvaneh Parnian

During the 1400 plus years since the revelation of the Quran, human interference to alter the word of God has affected the names of some suras.

Specifically, Sura 9 was known during the Prophet's time, and for centuries after him as "Sura Barā'ah" (Ultimatum). This name was changed by some *Mufasssir* (Interpreter) to "Al-Tawbah" (Repentance).

Sura 17 had the name "Banī Israel" until relatively recently. It was only in this century that the name was changed for obvious political reasons into "Al-Isrā'" (The Night Journey). I counted all the suras whose names do not begin with the letter "Alef" (A). Their number turned out to be 19; they are Suras 9, 10, 11, 12, 17, 19, 20, 31, 34, 35, 36, 38, 40, 41, 47, 50, 71, 80, & 106. The names of these 19 suras

are Barā'ah, Younus, Hūd, Yousuf, Banī Israel, Maryam, Tā Hā, Luqman, Saba', Fāter, Yā Sīn, Saad, Ghāfer, Fussilat, Muhammad, Qāf, Noah, 'Abasa, and Quraish.

It follows, of course, that the number of suras whose names begin with the letter "Alef" is 95 (19x5). These data conform with the Quran's 19-based miracle.

What to Say in Salat Divinely Dictated Parvaneh Parnian

One of the major doctrines in the Quran is that the Quran is complete, perfect, and fully detailed (6:19, 38, 114). Unfortunately, the majority of Muslims do not believe their Creator; they consistently challenge God's truth by asking: "If the Quran is complete—as claimed in the Quran—where can we find the details of the Contact Prayers?" This question of course reveals the ignorance of those disbelievers. For the Quran informs us that the Contact Prayers—which cannot be described in writing—were given to

Abraham by the angels who visited him, then transmitted to us generation after generation (21:73, 22:78, 16:123).

The last few issues of this Newsletter have presented mathematical and Quranic evidence supporting and confirming every aspect of the Contact Prayers—the numbers of units (Rak'ās), bowing (Ruku'), prostrations (Sujood), Tashahhuds, and even the sura to be recited in every unit.

While reading the Quran, I observed

that the last verses in Sura 17 teach some aspects of the Contact Prayers (Salat), including prostration (Sujood), what to say in Sujood (17:108), the tone of voice as we pray (17:110), the Takbeers (Allahu Akbar), and exactly what to say or which sura to recite during Salat: Sura 1, "Al-Fātehah" or "Al-Hamd" (17:111).

Thus, in addition to the information sent down by God during the last few months, all aspects of Salat are confirmed.

Letters of Support from all Corners of the World

From Ramallah, Palestine A Prominent Lawyer Writes

The Messenger of God
Rashad Khalifa.

Dear Sir:

I have read with great interest your Muslim Perspective of August 1988 and was so impressed that I decided to write you this letter, hoping to receive a positive reply.

I would be grateful if you would kindly send me all the material you have so far issued concerning the miracle of "19" and other material concerning your message.

... I strongly believe that your miracle will certainly have a great impact on the future of humanity.

From Vancouver, Canada

I have just come out of the most accelerating experience of my life. After being back for 2 days I am still high on that feeling. Thanks to all of you for making it the most special 3 days and above all thanks to Allah for making it all possible.

(another letter from Rukhsana)

The contentment and inner glow of being in Tucson, in the midst of our believing family has left a warm spark within me and will hopefully last till April, when I hope I can see you all again - with heartfelt thanks.

[Rukhsana]

Dear Rashad:

We had a wonderful time and didn't want to leave Tucson. Anyway, Allah Subhānahu-wa-Ta'āla had other plans for us.

We miss all of you very much and Insha Allah we'll see you soon. We are counting the days to be there for Ramadan.

[Batool Karmally]

From Australia (Persecution of the Believers)

Dear Messenger of Allah:

Brother Khalifa:

Allah's blessings to you and in your endeavor to propagate the teachings of the holy Quran to the world.

By Allah's grace, my family and I have migrated to Australia. The weather is sunny and the children are enjoying it very much. The reason I migrated: I was working for the national Islamic body in New Zealand. After reading your numerous issues of "Submission Perspective" I came to realize it was virtually impossible for me to continue to work within an idol-worshipping organization. Each day I felt restricted to make comments regarding my belief solely on the Quran. It was announced also at the Wellington Masjid that your copy of the holy Quran is heretic

cal, and was therefore denounced as anti-Islamic. After the announcement, I managed by Allah's grace to resign and took a flight to Australia to start a new life. It was a difficult decision especially as we knew of no one to assist us there - Allah suffices as helper and supporter.

Our one regret of leaving New Zealand is to part with Brother Muhammad Yusuf and his family. He has been and still is working ardently to propagate the teachings of the Quran. I do not need to tell of the rejection, the insult and abuse we both received in trying to spread the message of the Quran alone.

On my part, I have sold your books and loaned several video cassettes to numerous people. My action was brought to the attention of the National Religious Organization of New Zealand (FIANZ). I was told to cease my activities. The "19 Theory" was brushed aside without them performing any research on it and they denounced you on your claim of being Allah's messenger. Their rejection of the "19 Miracle" especially by well educated people - doctors, teachers, etc. - had no solid base or any foundation which can back it up. It was then that I realized I must release myself from such people in order to be able to be free to learn and study without hindrance the true message of Islam.

Thank you for clearing all the misconceptions of Islam that exist today in the Islamic World.
